

ACKNOWLEDGEMENTS

This report has been prepared by the firm of Campbell Thomas & Company, with assistance from the National Park Service, Northeast Region, Philadelphia Support Office through the Rivers, Trails and Conservation Assistance Program.

Funding assistance has been provided by the Pennsylvania Department of Conservation and Natural Resources through the Schuylkill River Heritage Corridor grant program administered by the Schuylkill River Greenway Association. The match for the grant was provided by the Conservation Fund, Bicycle Coalition of Delaware Valley, and the United Parcel Service.

We would like to thank the many people in the agencies and organizations mentioned below and those interviewees (see appendix) who provided information and assistance, including document review.
